

# CVL Beamer Template

## My Subtitle

Christopher Pramerdorfer  
Computer Vision Lab, Vienna University of Technology

# First Slide

First example slide.  
Some interesting content.

- ▶ First item
- ▶ Second item

Some math,  $v = \sum_k x_k^2$ .

# Second Slide

## Some Subtitle

Some **interesting** code:

```
def foo(x):  
    return np.array(x, dtype=float)
```

# Third Slide

Have a look at Figure 1.

Figure 1: Collection of logos.

Remaining text.

# Fourth Slide

Some text  
Some more text
